Dear Mrs Haines

We arrived safely at this place and we are very tired we are at a nice large tent which belongs to one of the officers of this place which one of the captains kindly lent us. We are very comfortable in this tent we came here in a government ambulance. We are going on in the same conveyence We meet Captain Bennet here the gentleman who is now acting adgent at Ft. Defiance. I am to have a dog and a pony in Ft Defiance and Lottie the Little colored girl we left in Kansas when we were in New York is to have a cow and some chickens Hoping you will write soon I will close I remain All send love
